*Minimum of 4 pax required for each tour.  
Please contact UTC, for full itinerary and more information.*

Embark on a trip to Pulau Ubin to experience Singapore's last village or kampong life - a "living museum" in the 1960s. You will be visiting the famous Chek Jawa Wetlands, one of Singapore's richest ecosystems. Home to diverse habitats and a teeming ecosystem, the island is the perfect getaway destination for nature lovers.
