Appetizer provides catered food for corporate clients, private occasions as well as BBQ, Kids' Parties and more.

Founded in 2005, Appetizer Pte Ltd started out as a bowling snack café, catering to bowlers' needs.

We have since expanded into buffet, bento box, live stations & BBQ catering, to bring you a wider range of food choice for your corporate events and private parties. Have a seat at our table and let us treat you like family at our café located within the bowling centre of CSC Changi.
